## ROADS

- (i) evaluate the implementation of the road construction programme as at the end of 1973-74 in respect of State Highway, district roads, village roads and upgradation of roads according to specifications (from unsurfaced to surfaced), bridges, etc., in terms of physical and financial achievements and the impact thereof on the economy of the areas opened up for vehicular traffic indicating the road length constructed per 100 sq. km., district-wise;
- (ii) indicate the total number of villages having a population of 500 or more not connected by metalled or gravelled roads;
- (iii) (a) propose a shelf of projects indicating priorities for construction of State Highways, district and village roads that need to be taken up within 20 years commencing with the year 1974-75 and those to be taken up during the Fifth Five-Year Plan, keeping in view the likely requirements of road transport, namely, goods traffic and passenger traffic including tourist traffic both inward and out ward, ensuring at the same time that regional imbalances, if any, are removed and the impact likely to be made by the execution of proposed projects on the economy of the area to be covered;
- (b) the above plan should be prepared in close co-ordination with the Electricity Board with a view to ensuring that roads etc. constructed or planned to be constructed are not submerged by the dams/reservoirs coming up within the next 25 years;
- (iv) indicate the impact of road construction on manpower employment;

## TRANSPORT

- (v) make an assessment of the functioning and future expansion of the nationalized transport including the Mandi-Kulu Road Transport Corporation, elucidating the amount of profits made/losses incurred, with a view to locating the causes of economic losses, if any, caused either by transport bottlenecks for want of adequate provision or because of un-utilised facilities created in excess of requirements;
- (vi) indicate the total number of kilometres of road already operated upon, total number of passengers carried and tonnage of weight carried; as also cost per passenger/km and freight/km carried;
- (vii) assess the expanding requirements of repair and maintenance depots as well as the requirements of jeeps, station wagons, buses, cars, mini-buses, goods carriers and other types of vehicles;
- (viii) assess the financial resources required for augmenting the existing fleet both in the public and private sectors, keeping in view the likely projection for roads during the Fifth Five-Year Plan;

## TOURISM

- (ix) (a) make an objective assessment of the various tourist complexes in Himachal Pradesh including the construction of cafeterias, construction of ropeways, setting up of information bureaus and booths, construction/improvement of baths and lakes, development of picnic spots, providing of camping facilities, development of skiing and golf in the State, provision of amenities in tourist accommodation, need for opening of new offices, provision of hospitality to travel agents and writers, publication of tourist literature, etc;

- (b) prepare a perspective plan for the next 20 years for the development and promotion of tourism in Himachal Pradesh; and

- (x) make any other suggestions relevant to the development of tourism, transport and communications in the State.

4. To give a realistic approach to the deliberations of the Working Group, the Convener, viz. the Under Secretary (Public Works Department, Transport and Tourism) may prepare a detailed paper on the broad outlines and objectives for the consideration of the Working Group. The Working Group will submit an interim report to the State Government by the 15th June, 1972, indicating the approach to the Fifth Plan for development of roads, transport and tourism, based on an evaluation of the on-going programmes and the assessment of the likely level of development to be achieved by the end of 1973-74 in terms of Planning Department letter No. 1-5/72 Plan, dated the 11th April, 1972.

5. The Working Group will make its final recommendations including the projects/programmes/schemes proposed to be included in the Fifth Plan with financial outlays and other related details by the end of September, 1972.

#### FOREST DEPARTMENT

*Simla-2, the 29th July, 1972*

No. 7-4/72-SF.—In exercise of the power conferred by sections 30 and 32 of the Indian Forest Act, 1927

(Act No. XVI of 1927) which has been applied to the land specified in the Schedule appended to the Himachal Pradesh Government notification of even number, dated 28-7-1972 and all other powers enabling him in this behalf, the Governor, Himachal Pradesh is pleased to direct

that the following rules shall apply to the said land:—

### RULES

1. No person shall cut, fell or lop any trees for any purpose whatsoever or remove any forest produce, provided that, subject to rule 3 below, the owners may fell and remove trees, timber and other forest produce for their own domestic and agricultural purposes.

2. Subject to the approval of the Divisional forest Officer, Rajgarh Forest Division, the owners may sell trees, provided that the trees have first been marked by the Divisional Forest Officer.

3. No living trees standing within 30 feet of the bank of any stream or torrent bed shall be felled for any purpose whatsoever.

4. No person shall herd, pasture, graze or retain sheep, goats, camels or other cattle on the land specified in the Schedule annexed to Himachal Pradesh Government notification of even number, dated 28-7-1972, provided that in such area where the forest crop is well established and in cases of emergency such as abnormal drought or floods, the Divisional Forest Officer, Rajgarh Forest Division may throw open such area or areas for grazing of the cattle of the land owners except sheep, goats and camels on such conditions as may be appropriate in each case.

5. No person shall clear or break up land for cultivation or other purposes, provided that if in the opinion of the Divisional Forest Officer, Rajgarh Forest Division, the land is sufficiently protected from damage by flood and erosion, the owners may cultivate the land to the extent permitted by him.

6. No person shall cut or remove grass, provided that the owners may cut grass for their own use or allow its sale with the approval of and within the period allowed by the Divisional Forest Officer, Rajgarh Forest Division on the condition that grass is cut above ground with a drati only. (Date to be fixed to allow scattering of ripe grass seed).

7. No person shall set fire to grass, trees or timber, or kindle a fire on the land without taking reasonable precautions to prevent its spreading.

8. The quarrying of stone or the burring of lime at places where such stone or lime has not ordinarily been so quarried or burnt prior to the publication of the Himachal Pradesh Government notification of even number dated 28-7-1972 shall be prohibited except with the permission of the Collector of Sirmur District, who will consult the Divisional Forest Officer, Rajgarh Forest Division, before according such permission.

9. Income from composition of offences against these rules under section 68 of the Indian Forest Act, 1927, shall be credited to Government provided that the Government may subject to appropriation made by law allow grant-in-aid to the owners to the extent of income derived from compounding of offences under these rules.

10. The owners shall appoint a rakha or rakhas, whose duty will be to enforce the provisions of these rules. The appointment and dismissal of rakhas will be subject to the approval of the Divisional Forest Officer, Rajgarh Forest Division.

By order,

P. K. MATTOO,
